

It's Vegetable-Growing Time in the Keys!

Last October our guest speaker **Kathryn DePoo** gave us a very informative talk on vegetable gardening specific to the Keys. She has graciously allowed (and encouraged!) us to revisit the pdf of that talk online at the **Key West Community Garden** website.

Enjoy! Here is the link:

Plot 2 Plate: Grow Your Own Food

The **University of Florida IFAS** website also has very useful information for growing vegetables in South Florida.
